

DO YOU OWN A PRIVATE WELL?

DO YOU LIVE IN THE
TOWN OF GREATER
NAPANEE OR STONE
MILLS TOWNSHIP?

DO YOU OWN OR
USE A PRIVATE
WATER WELL?

WE
WANT
TO HEAR
FROM YOU!

We are studying private well water quality and well users' knowledge, attitudes and practices regarding private well water use and management. If you are interested in participating in an **interview** and learning more about well water in your community, please contact 12sml7@queensu.ca.

This interview is part of a larger study funded through Public Health Ontario.

Please share this invitation.

For further information, please contact:
Sarah Lavalley, PhD Candidate, School of Environmental
Studies, Queen's University: 12sml7@queensu.ca

These interviews are in collaboration with Queen's University, Public Health Ontario, and Technological University Dublin.
